Zanesville, Ohio Club

Midwest Region

October 2017

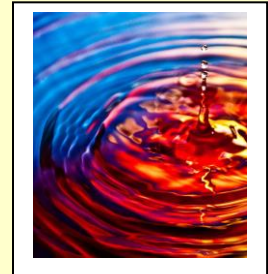

Hello! It's October....

In October, we will be attending Midwest conference and taking reports from the committee chairs on what we are planning. It is always an exciting time. Please consider joining us!

We have a lot of events and projects going on in the next few months. Make sure you take a moment to read through the newsletter. Check in on Facebook as well. We try to get everything posted there.

Just as ripples spread out when a single pebble is dropped into water, the actions of us can have far reaching effects. We want to see the world become a better place but, it must start in our own backyard by us tossing the first pebble of love. The ripples become waves of kindness by bringing the change you want to see. You yourself have the power to change the world. Imagine what can happen when we all work together! We saw how people work together during the last hurricanes in Texas & Florida. That is what we do for women in girls who have whirlwinds in their lives when we reach out to help.

President,

School is back in session and the mobile dental unit is off and running. We have been seeing students in the mobile dental unit for recall exams, cleanings and treatment.

I have been screening various grade levels to obtain students to be referred for treatment in the dental unit. We have seen some students with abscessed, decayed and some pretty nice teeth.

Time for a new toothbrush! Happy smiles!

Boxes and bows are needed for the annual Colony Square Mall Gift Wrap Event. Please bring them to the November or December meeting.

This year we are scheduled to be there Sat. Dec 9th to Sat. Dec. 16th. The volunteer schedule will be available at the October & November Meetings.

Member Spotlight *Valencia Clark*

I was born and raised in Zanesville. My parents are Trafford and Marilyn Dick. I married my husband 28 years ago. We have 2 black Labrador retrievers. For 36 years I have worked for the Zanesville City Schools as the Dental Hygienist / Teacher and Director of the dental program. I coach boys and girls tennis at ZHS and enjoy scuba diving with my husband.

I was introduced to Soroptimist by Becky Archibald. I received a letter from her and my father stated ***you will go , become a member and participate because they support the dental health program.*** So here I am today! I have loved every minute of being a member. *Thanks Dad!*

I joined to help with the projects that help support women and girls (children). Also the fellowship and friendships I have developed not only locally but regionally.

I am very partial to the dental project. We have helped so many children with dental problems (and working to prevent problems) during the 75 years the Soroptimist have been involved. I also believe in the awards we give to educate women. There is such a need so they can improve their lives and their children's lives.

I have so many wonderful memories in Soroptimist. This is truly a wonderful organization. The trips that Becky and I took to so many district meetings, Spring Conferences. One time I dressed as the tooth fairy and spoke about the dental program at a district meeting and blew fairy dust all over the carpet that I am not sure was appreciated. Enjoying our 75th party with Doris and all her memories was a true highlight!
